

LIVESTOCK CARE, CUSTODY, AND CONTROL COVERAGE

Product Sheet

Our team of experts offer over 40 years of experience providing livestock risk solutions tailored to fit your needs

Coverage

Policy provides liability coverage for losses caused by death, injury, or theft of non-owned livestock in the insured's care, custody, and control that they become legally obligated to pay the owner of the livestock.

- Covers expenses to remove and dispose of dead livestock after a loss occurs for up to 25% of the loss amount
- Newly acquired organizations or locations for the same species and type of livestock already insured on the policy

Target Market

- Swine and poultry confinement growers raising meat animals or breeding stock under a contractual feeding agreement

Available Endorsements:

- Contract Grower Loss of Income to cover loss of grower payments when a loss is the result of a covered peril

Coverage Extensions

- Covers reasonable expenses incurred by the insured at our request to investigate the claim
- Covers loss of earnings up to \$250 per day from time off work at our request

Deductible and limits

- \$1,000 minimum deductible
- Up to \$2.5 million per occurrence limit
- Up to \$5 million annual aggregate limit
- \$5,000 standard limit per animal
- \$250,000 per location Contract Grower Loss of Income limit

Program qualifications and policy conditions

- Available to livestock contract growers
- Provide a copy of the feeding contract and any amendments and/or standard operating procedures
- Insured must have an alarm system and standby generator tested monthly and log all test results
- Employ all reasonable means to protect livestock
- Notify company of any changes to the contract within thirty (30) days of receipt

Notable exclusions

- Malicious or willful acts by insured, their family members or employees
- Dishonest acts by insured, partners, employees or anyone entrusted with insured livestock
- Escape, mysterious disappearance, or shortage upon taking inventory
- Seizure or government ordered destruction
- Surgical procedure, inoculation, or injections
- Disease, sickness, or illness
- Fines, punitive damages, or attorney's fee
- Failure of livestock to meet performance standards, quality conditions or warranties
- Transit
- Livestock not healthy when delivered
